7. Your device will automatically open iTunes and begin the download process. You will see the screen change rapidly.

For the most part, you do **not** need to press any additional buttons.

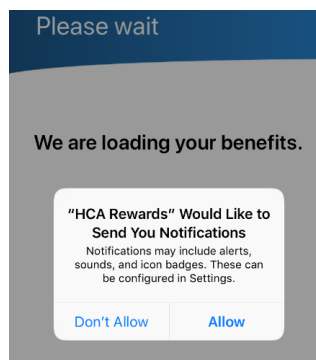

However, depending on your settings, you may need to:

- Enter Touch ID or iTunes password.
- Agree to Apple's terms and conditions, if prompted.

When you see a message that says "You've successfully redeemed your code" the download process is complete.

8. Go to your home screen and click the app icon to open the app. Select **Allow** to ensure you receive notifications when there are important benefits updates.

9. Next, select **Provider Directories**.

10. You'll be redirected to a registration screen. Enter your information and click **Submit** to see personalized information about your benefits on the app.
